FROM THE PASTOR

Dear Parishioners,

1. STEWARDSHIP WAY OF LIFE

I sincerely wish to thank you for your commitment to living a stewardship way of life. Stewardship can best be defined as the grateful response of a Christian disciple. I see that many parishioners in our parish family are living this grateful response to such a loving and good God. I want to encourage all to give back to God in the measure in which you have received financial blessings from God. I can assure you that God can not be outdone in generosity. It would help out a great deal if we could catch up to our tithing deficit for the year, in May and June. As you can see, we are averaging about \$1,200 of shortfall each week for this fiscal year (which ends June 30). I know you face many challenges. Please be as generous as you can. Thank you.
